NOTE: Corporations NOT listed in the table above will take the Algebra II and English 11 QualityCore ECAs with ACT.

Information regarding registration is available on ACT's QualityCore website at:

<http://www.act.org/qualitycore/indiana/>

CTCs will receive additional information from each vendor with registration instructions.

Deadlines for Paper-and-Pencil ECAs

The deadline to enter counts for Paper-and-Pencil (PP) tests for the A3 Test Administration is **February 29, 2008 for ACT and Questar**. The deadline to enter counts for the Algebra II ADP Exam with **Pearson is February 15, 2008**.

Corporations must enter counts at the assigned vendor by the deadline for each test administered in a PP format in order to receive materials. If counts are not entered by the deadline, corporations must administer online tests for ECAs. The deadline to enter counts for online tests is April 25, 2008 (see table below).

Data Collection Window

Corporations will need to upload data to the [STN Application Center](http://stn.doe.state.in.us/stn/) to generate barcode labels for paper-and-pencil tests and student files for online testing. CTCs are responsible for coordinating and ensuring that the data upload at the STN Application Center (<http://ideanet.doe.state.in.us/stn/>) is completed.

Online Testing: Uploading student files will pre-register students for each online test administration. If students are not included in the STN Data Collection files, *they will still be able to test*. The online manuals will provide detailed instructions for registering students that were not included in the Data Collection.

Paper-and-Pencil Testing: For the Spring A3 paper-and-pencil test administration, this process will produce barcode labels which will be shipped with all other paper-and-pencil related materials.
